### **To whom it may concern**

It is with much enthusiasm that I provide this letter of recommendation for Ms. Monique Nagel. Monique was my student in 2019 and impressed me with her wide-ranging intellectual curiosity, passion for work/life, budding leadership skills and audacious spirit.

Monique has a number of strengths I'd like to highlight. She has exceptional technical and non-technical skills. For instance, her passion for connecting with people shines through in all the work she does. She is hard-working, thoughtful, charismatic and most importantly, open-minded. Her communication skills were a delight during my time instructing her.

I hereby fully endorse Ms. Nagel to any future employer or volunteer organisation. If her performance in my class is any indication of how she'd perform in the available position, Monique will be a positive addition to your corporate culture. If you need any additional information, feel free to contact me at 016 910 3253 or by email at [Lance.Bunt@nwu.ac.za](mailto:Lance.Bunt@nwu.ac.za).

Monique has a unique spark and I trust she will go far in making our world a better place.

Sincerely,

**LANCE BUNT**
