PERSONAL INFORMATION

FULL NAME: Monique Nagel

ID NUMBER: 9812210201082

NATIONALITY: South-African

LANGUAGES: English, Afrikaans,
German (Elementary)

CAREER OBJECTIVE

I am looking for a graduate program with the possibility of transitioning into a permanent position at a reputable organisation that offers growth opportunities to enhance my knowledge about emerging trends within the IT sector.

I aim to work as a System Engineer where I will be able to utilise my technical skills, my ability to understand and test software, as well as making use of my interpersonal skills.

HONOR & AWARD

Golden Key International Honour Society

Recognition of academic achievement of being among the top 15% of my class.

PERSONAL INTERESTS

- I enjoy reading books along with writing stories.
- I have a fondness of discussing and analysing various topics such as absurd concepts, books, movies, music, philosophy, poetry or any topic related to computer science.
- I like to play video games that have a strategic aspect to them.

PROFILE

I am passionate about learning more about the IT field and concepts and skills that are relevant to it.

I take pride in the planning of my work and I am motivated in reaching the goals I laid out for myself while remaining flexible and open-minded when I stumble upon problems.

I find myself drawn to leadership positions where I can properly delegate tasks among group members and establish a healthy group dynamic; it is important for me to be able to trust my group members and vice versa.

I am orientated in receiving results and I believe that I should take responsibility by completing tasks through researching the concepts I will be working with, as well as consulting others when I face a difficult task.

I enjoy learning more and I find myself looking forward to the next opportunity or challenge that comes my way.

ACADEMIC BACKGROUND

BSc in Information Technology

North-West University | 2017-2020

WORK EXPERIENCE

Student Assistant

North-West University | 02/2020 - current

I communicated with students by assisting them with grasping the study material of their modules. This also encapsulated marking and assessing the students' assignments and projects while providing assistance to lectures with their respective modules.

This required:

- clear and concise communication skills,
- a proper understanding of the modules in order to assist students,
- and balancing my studies and additional work from lecturers at the same time.

Hostess

Mugg & Bean | 05/2017 - 06/2017

I briefly worked as a hostess at Mugg & Bean on weekends for a month.

This required:

- having a professional yet friendly demeanor with customers.

SOFT SKILLS

- Communication
- Reliable and professional
- Creativity
- Team Player Attitude
- Problem-solving
- Willingness to learn
- Organisation
- Integrity
- Emotional intelligence

TECHNICAL SKILLS

- SCRUM
- User Interface design (HTML and CSS)
- Data Structures
- Programming Languages (C#, Java, Python, JavaScript, C++)
- Linux
- Database Design (MySQL, NoSQL)
- Web Services & APIs
- Microsoft Office
